## WAREHOUSE LICENSES

**108.3 Application forms.**—Applications for licenses and for modifications or extensions of licenses under the act shall be made to the Secretary upon forms prescribed for the purpose and furnished by the Service, shall truly state the information therein contained, and shall be signed by the applicant. The applicant shall at any time furnish such additional information as the Secretary

or the Chief of the Service shall find to be necessary to the consideration of his application.

**108.4 Grounds for not issuing license.**—A license for the conduct of a warehouse shall not be issued if it be found by the Secretary or his designated representative, that the warehouse is not suitable for the proper storage of sirup, that the warehouseman is incompetent to conduct such warehouse in accordance with the act and these regulations, or that there is any other sufficient reason within the purposes of the act for not issuing such license.

**108.5 Net assets required.**—The warehouseman conducting a warehouse licensed or for which application for license has been made under the act shall have and maintain above all exemptions and liabilities net assets liable for the payment of any indebtedness arising from the conduct of the warehouse, to the extent of at least five (5) cents per gallon of sugarcane sirup and ten (10) cents per gallon of maple sirup or honey, of the maximum number of gallons that the warehouse will accommodate when stored in the manner customary to the warehouse as determined by the Chief of the Service, except that the amount of such assets shall not be less than \$5,000, and need not be more than \$100,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, such warehouses shall be deemed to be one warehouse for the purposes of the assets required under this section. For the purposes of this section only, paid in capital stock, as such, shall not be considered a liability. Any deficiency in the required net assets may be supplied by an increase in the amount of the warehouseman's bond in accordance with section 108.12.

**108.6 License shall be posted.**—Immediately upon receipt of his license or of any modification or extension thereof under the act, the warehouseman shall post the same, and thereafter, except as otherwise provided in these regulations, keep it posted until suspended or terminated, in a conspicuous place in the principal office where receipts issued by such warehouseman are delivered to depositors.

**108.7 Suspension or revocation of warehouse licenses.**—Pending investigation, the Secretary, or his designated representative, whenever he deems necessary, may suspend a warehouseman's license temporarily without hearing. Upon written request and a satisfactory statement of reasons therefor, submitted by a warehouseman, the Secretary, or his designated representative, may, without hearing, suspend or revoke the license issued to such warehouseman. The Secretary, or his designated representative, may, after opportunity for hearing when possible has been afforded in the manner prescribed in this section, revoke a license issued to a warehouseman when such warehouseman (a) is bankrupt or insolvent; (b) has parted, in whole or in part, with his control over the licensed warehouse; (c) is in process of dissolution or has been dissolved; (d) has ceased to conduct such licensed warehouse; or (e) has in any other manner become incompetent or incapacitated to conduct the business of the warehouse. Whenever any of the conditions mentioned in subdivisions (a) to (e) of this section shall come into existence it shall be the duty of the warehouseman to notify immediately the Chief of the Service of the existing condition. Before a license is revoked for any violation of, or failure to comply with, any provision of the act or of these regulations, or upon the ground that unreasonable or exorbitant charges have been made for services rendered, the warehouseman involved shall be furnished by the Secretary, or his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with section 108.73.

**108.8 Return of terminated, suspended, or revoked warehouse license.**—When a license issued to a warehouseman terminates or is suspended, or revoked, by the Secretary, or his designated representative, it shall be returned to the Secretary. At the expiration of any period of suspension of such license, unless it be in the meantime revoked, the dates of the beginning and termination of the suspension shall be endorsed thereon, it shall be returned to the licensed warehouseman to whom it was originally issued, and it shall be posted as prescribed in section 108.6; provided, that in the discretion of the Chief of the Service a new license may be issued without reference to the suspension.

**108.9 Lost or destroyed warehouse license.**—Upon satisfactory proof of the loss or destruction of a license issued to a warehouseman, a duplicate thereof may be issued under the same number.

**108.10 Unlicensed warehousemen must not represent themselves as licensed.**—No warehouse or its warehouseman shall be designated as licensed

under the act and no name or description conveying the impression that it is or he is so licensed shall be used, either in a receipt or otherwise, unless such warehouseman holds an unsuspended or unrevoked license for the conduct of such warehouse.

### WAREHOUSE BONDS

**108.11 Time of filing.**—Unless the warehouseman has previously filed with the Secretary the necessary bond required by section 108.12 of this regulation, he shall file such bond within a time, if any, specified by the Secretary, or his designated representative, such bond to cover all obligations arising thereunder during the period of the license.

**108.12 Basis of amount of bond; additional amounts.**—(a) Exclusive of any amount which may be added in accordance with paragraphs (b) and (c) of this section, the amount of such bond shall be at the rate of five (5) cents per gallon of sugarcane sirup and ten (10) cents per gallon of maple sirup or honey, of the maximum number of gallons that the warehouse will accommodate when stored in the manner customary to the warehouse for which such bond is required, as determined by the Chief of the Service, but not less than \$5,000 nor more than \$50,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and these regulations for said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under sections 108.11–108.15.

(b) In case of a deficiency in net assets under section 108.5, there shall be added to the amount of the bond fixed in accordance with paragraph (a) of this section, an amount equal to such deficiency.

(c) If the Secretary, or his designated representative, finds the existence of conditions warranting such action, there shall be added to the amount fixed in accordance with paragraphs (a) and (b) of this section a further amount, fixed by him, to meet such conditions.

**108.13 Amendment of license.**—If application is made under section 108.3 for an amendment of a license and no bond previously filed by the warehouseman under this regulation covers obligations incurred during the period of such amendment, the warehouseman shall, when notice has been given by the Secretary, or his designated representative, that such amendment will be granted upon compliance by such warehouseman with the act, file with the Secretary, within a time, if any, fixed in such notice, a bond complying with the act, unless bond in sufficient amount has been filed since the filing of such application. In the discretion of the Secretary, a properly executed instrument in form approved by him, amending, extending, or continuing in force and effect the obligations of a valid bond previously filed by the warehouseman and otherwise complying with the act and these regulations, may be filed in lieu of a new bond.

**108.14 New bond required each year.**—Whenever a license has been issued for a period longer than 1 year, such license shall not be effective beyond 1 year from its effective date unless the warehouseman shall have filed a new bond in the required amount with, and such bond shall have been approved by the Secretary, or his designated representative, prior to the date on which that license would have expired had it been issued for but 1 year, subject to the provisions of section 108.13.

**108.15 Approval of bond.**—No bond, amendment, or continuation thereof shall be deemed accepted for the purposes of the act and these regulations until it has been approved by the Secretary, or his designated representative.

### WAREHOUSE RECEIPTS

**108.16 Form.**—(a) Every receipt, whether negotiable or nonnegotiable, issued for sirups stored in a warehouse, shall, in addition to complying with the requirements of section 18 of the act, embody within its written or printed terms the following: (1) the name of the licensed warehouseman and the designation, if any, of the warehouse; (2) the license number of the warehouse; (3) a statement whether the warehouseman is incorporated or unincorporated, and if incorporated, under what laws; (4) in the case of identity preserved sirup, the lot number given to each lot of sirup, in accordance with section 108.32; (5) a statement conspicuously placed, whether or not the sirup is insured, and if insured, to what extent, by the warehouseman against loss by fire, lightning,

or tornado; (6) a blank space, designated for the purpose, in which the kind of sirup shall be stated; (7) a blank space, designated for the purpose, in which the locality in which the sirup was produced shall be stated, if known; (8) a blank space, designated for the purpose, in which the condition of the sirup shall be stated; (9) if the sirup is in barrels, drums, or jackets, the gross, tare, and net weight, or number of gallons; (10) if in cases, the number of cases and size of containers; (11) if in bulk for storage in tanks, the weight and/or the number of gallons; (12) the word "negotiable" or "nonnegotiable," according to the nature of the receipt, clearly and conspicuously printed or stamped thereon; (13) in the event the relationship existing between the warehouseman and any depositor is not that of strictly disinterested custodianship, a statement setting forth the actual relationship.

(b) Every receipt, whether negotiable or nonnegotiable, issued for sirup stored in a warehouse, shall specify a period, not exceeding 1 year, for which the sirup is accepted for storage under the act and these regulations, provided, however, that no receipt shall be issued for sugarcane sirup stored without refrigeration in barrels for a period extending beyond March 1, following the year in which produced. Upon demand and surrender of the old receipt by the lawful holder thereof at or before the expiration of the period specified, the warehouseman, upon such lawful terms and conditions as may be granted by him to other depositors of sirup in his warehouse, if he then continues to act as a licensed warehouseman, shall issue a new receipt for a further specified period not exceeding 1 year; provided it is actually determined by a licensed inspector that the sirup has not deteriorated and that it is in proper condition for storage for another year, and provided further, that this provision shall not relate to sirup stored in wooden barrels. If the warehouseman continues to act as a public, but not as a licensed warehouseman, he may issue a new nonlicensed receipt.

(c) The grade stated in a receipt issued for sirup stored in a warehouse, shall be stated as determined by the licensed inspector who last inspected the sirup before the issuance of such receipt, and such receipt shall embody within its written or printed terms the following: (1) that the sirup covered by the receipt was inspected by a licensed inspector, and (2) a form of indorsement which may be used by the depositor or his authorized agent, for showing the ownership of, and liens, mortgages or other encumbrances on the sirup covered by the receipt.

(d) Whenever the grade of sirup is stated in a receipt issued for sirup stored in a warehouse, such grade shall be stated in accordance with sections 108.66—108.68.

(e) If a warehouseman issues a receipt omitting the statement of grade on request of the depositor as permitted by section 18 of the act, such receipt shall have clearly and conspicuously stamped or written on the face thereof the words "Not graded on request of depositor."

(f) If a warehouseman issues a receipt under the act omitting any information not required to be stated, for which a blank space is provided in the form of the receipt, a line shall be drawn through such space to show that such omission has been made by the warehouseman.

**108.17 Copies of receipts.**—If copies are made of receipts, all such copies, except those issued in lieu of the original in case of lost or destroyed receipts, shall have clearly and conspicuously printed or stamped thereon the words "Copy—Not Negotiable." If copies are not made, then skeleton copies bearing the same numbers as the corresponding original receipts shall be made, but such skeleton copies need not be marked "Copy—Not Negotiable."

**108.18 Lost or destroyed receipts; bond for.**—(a) In the case of a lost or destroyed receipt, if there be no statute of the United States or law of a State applicable thereto, a new receipt upon the same terms, subject to the same conditions, and bearing on its face the number and the date of the receipt in lieu of which it is issued and a plain and conspicuous statement that it is a duplicate issued in lieu of a lost or destroyed receipt, may be issued upon compliance with the conditions set out in paragraph (b) of this section.

(b) Before issuing such duplicate receipt the warehouseman shall require the depositor or other person applying therefor to make and file with the warehouseman (1) an affidavit showing that he is lawfully entitled to the possession of the original receipt, that he has not negotiated or assigned it, how the original receipt was lost or destroyed, and if lost, that diligent effort has been made to find the receipt without success and (2) a bond in amount double the value, at the time the bond is given, of the sirup represented by the lost or destroyed receipt. Such bond shall be in the form approved for the

purpose by the Secretary, or his designated representative, shall be conditioned to indemnify the warehouseman against any loss sustained by reason of the issuance of such duplicate receipt, and shall have as surety thereon (a) preferably a surety company which is authorized to do business, and is subject to service of process in a suit on the bond, in the State in which the warehouse is located, or (b) at least two individuals who are residents of such State and each of whom owns real property therein having a value in excess of all exemptions and encumbrances, to the extent of double the amount of the bond.

**108.19 Approval of form of receipt.**—No receipt shall be issued by a licensed warehouseman except it be (1) in form prescribed by the Chief of the Service; (2) upon distinctive paper specified by him; (3) printed by a printer with whom the United States has a subsisting contract and bond for such printing, and (4) on paper manufactured by and procured from a manufacturer with whom the United States has a subsisting contract and bond for the manufacture of such paper.

**108.20 Partial delivery of sirup.**—If a warehouseman deliver a part only of a lot of sirup for which he has issued a negotiable receipt under the act, he shall take up and cancel such receipt and issue a new receipt in accordance with these regulations for the undelivered portion of the sirup. The new receipt shall show the date of issuance and also indicate the number and date of the old receipt.

**108.21 Return of receipt before delivery of sirup.**—Except as permitted by law or by these regulations, a warehouseman shall not deliver sirup for which he has issued a negotiable receipt until the receipt has been returned to him and canceled, and shall not deliver sirup for which he has issued a non-negotiable receipt until such receipt has been returned to him or he has obtained from the person lawfully entitled to such delivery, or his authorized agent, a written order therefor.

**108.22 Signatures of persons authorized to direct delivery to be filed with warehouseman.**—Each person to whom a nonnegotiable receipt is issued shall furnish the warehouseman with a statement in writing indicating the person or persons having power to authorize delivery of sirup covered by such receipt, together with the bona fide signature of such person or persons. No licensed warehouseman shall honor an order for the release of sirup covered by a non-negotiable receipt until he has first ascertained that the person issuing the order has authority to order such release and that the signature of the releasing party is genuine; provided that if the holder of such nonnegotiable receipt agrees in writing to hold blameless both the warehouseman and bondsman for any loss that might result from improper delivery through receipt of an unauthorized telegram, deliveries may be made on receipt of telegraphic orders to be followed immediately with usual confirmation order.

**108.23 Omission of grade; no compulsion by warehouseman.**—No warehouseman shall, directly or indirectly, by any means whatsoever, compel or attempt to compel the depositor of any sirup stored in his licensed warehouse to request the issuance of a receipt omitting the statement of grade.

## DUTIES OF LICENSED WAREHOUSEMAN

**108.24 Sirup must be inspected.**—(a) No warehouseman shall accept sirup for storage until it has been inspected and approved by a licensed inspector.

(b) All sirup, the identity of which is not to be preserved, or has not been preserved, shall be accepted for and delivered out of storage only on the basis of grades and weights or quantities determined by licensed inspectors and weighers.

**108.25 Insurance requirements.**—(a) Each warehouseman, when so requested in writing by the depositor or the lawful holder of the receipt for any sirup, shall, to the extent to which, in the exercise of due diligence, he is able to procure such insurance, keep such sirup while in his custody fully insured in his own name against loss or damage by fire, lightning, or tornado. When insurance is not carried in the warehouseman's name, the receipt shall show that the sirup is not insured by him. Such insurance shall be covered by lawful policies issued by one or more insurance companies authorized to do such business in the State where the warehouse is located. If the warehouseman is unable to procure such insurance, he shall, orally, or by telegraph or by telephone and at his own expense, immediately notify the person making the

request. Nothing in this section shall be construed to prevent a warehouseman from adopting a rule that he will insure all sirup.

(b) Each warehouseman shall keep exposed conspicuously in the place prescribed by section 108.6, and at such other place as the Chief of the Service, or his representative may from time to time designate, a notice stating briefly the conditions under which sirup will be insured against loss or damage by fire, lightning, or tornado.

(c) Each warehouseman shall take promptly such steps as may be necessary and proper to collect any moneys which may become due under contracts of insurance entered into by him for the purpose of meeting the requirements of these regulations, and shall, as soon as collected, pay promptly to the persons concerned any portion of such moneys which they may be entitled to receive from him.

**108.26 Premiums; inspections; reports.**—Each warehouseman shall, in accordance with his contracts with insurance and bonding companies for the purpose of meeting the insurance and bonding requirements of these regulations, pay such premiums, permit such reasonable inspections and examinations, and make such reasonable reports as may be provided for in such contracts.

**108.27 Care of sirup in storage.**—Each warehouseman shall at all times exercise such care in regard to sirup in his custody as a reasonably careful owner would exercise under the same circumstances and conditions. If sirup is stored under refrigeration a temperature not in excess of 38° F. shall be maintained at all times in the licensed rooms or compartments and temperature records or charts showing correct temperature readings made at least four times daily shall be kept. Such records or charts shall be in such form as the Service may approve.

**108.28 Care of nonlicensed sirup or other commodities.**—If at any time a warehouseman shall handle sirup other than for storage, or shall handle or store any other commodity, he shall so protect the same and otherwise exercise such care with respect to it as not to endanger the sirup in his custody as a warehouseman or impair his ability to meet his obligations and perform his duties under the act and these regulations. If the warehouseman shall store commodities other than those for which he is licensed, a nonlicensed receipt shall be issued, which shall contain in its terms a provision that said commodities are accepted for storage only until such time as the space which they may occupy may be needed for products for the storage of which the warehouseman is licensed. Under no circumstances shall any commodities for the storage of which the warehouseman is not licensed be stored if the storage of such commodities might adversely affect the commercial value of, or impair the insurance on sirup covered by licensed receipts.

**108.29 Records to be kept in safe places.**—Each warehouseman shall provide a metal fireproof safe, a fireproof vault, or a fireproof compartment in which he shall keep, when not in actual use, all records, books, and papers pertaining to the warehouse, including his current receipt books, copies of receipts issued, and canceled receipts, except that with the written consent of the Chief of the Service, or his representative, upon a showing by such warehouseman that it is not practicable to provide such fireproof safe, vault, or compartment, he may keep such records, books, and papers in some other place of safety, approved by the Chief of the Service or his representative. All canceled receipts shall be arranged by the warehouseman in numerical order as soon as possible after their cancelation and shall be preserved in numerical order thereafter.

**108.30 Warehouse charges.**—A warehouseman shall not make any unreasonable or exorbitant charge for service rendered. Before a license to conduct a warehouse is granted under the act, the warehouseman shall file with the Service a copy of his rules and a schedule of charges to be made by him if licensed. Before making any change in such rules or schedule of charges he shall file with the Service a statement in writing showing the proposed change and the reasons therefor. Each warehouseman shall keep exposed conspicuously in the place prescribed by section 108.6 and at such other places, accessible to the public, as the Chief of the Service or his representative, may from time to time designate, a copy of his current rules and schedule of charges.

**108.31 Business hours.**—(a) Each warehouse shall be kept open for the purpose of receiving sirup for storage and delivering sirup out of storage every business day for a period of not less than 6 hours between the hours of 8 a. m. and 6 p. m., except as provided in (b) of this section. The warehouseman shall keep conspicuously posted on the door of the public entrance to his office and to his warehouse a notice showing the hours during which the

warehouse will be kept open, except when such office or warehouse is kept open continuously from 8 a. m. to 6 p. m.

(b) If the warehouse is not to be kept open as above required, the notice shall state the period during which it is to be closed and the name and address of an accessible person authorized to make delivery upon lawful demand and surrender of the receipt.

**108.32 Numbered tags to be attached to each lot of sirup.**—Each warehouseman shall, upon acceptance for storage of any lot of sirup the identity of which is to be preserved, take such action as will result in preserving the identity of the product while in storage. He shall immediately assign a lot number to each such lot, and shall plainly and indelibly stamp, stencil, print, or otherwise appropriately mark the lot number on all packages in the lot. He shall attach to such lot a tag of good quality, which shall at all times be clearly visible and shall identify the lot. Such tag shall show the lot number, the number of the receipt issued covering the sirup, the number of packages in the lot, the type or style of packages, the kind of sirup, the grade, if determined, the net weight or number of gallons of sirup in the lot, and the date it entered storage.

**108.33 System of accounts.**—Each warehouseman shall use for his warehouse a system of accounts, approved for the purpose by the Chief of the Service, or his authorized representative, which shall show for each lot of sirup the name and address of the depositor, the lot number mentioned in section 108.32, the gross, tare, and net weight of sirup if in barrels, drums, or jackets, the number of cases and size of containers, if in cases, the grade, when grade is required to be or is ascertained, the dates received for and delivered out of storage, the receipts issued and canceled, a separate record for each depositor, and such accounts shall include a detailed record of all moneys received and disbursed and of all effective insurance policies.

**108.34 Reports.**—Each warehouseman shall, from time to time, make such reports as the Chief of the Service may require, on forms prescribed and furnished for the purpose by the Service, concerning the condition, contents, operation, and business of the warehouse.

**108.35 Copies of reports to be kept.**—Each warehouseman shall keep on file, as a part of the record of the warehouse, for such period as may be prescribed by the Service, an exact copy of each report submitted by such warehouseman under these regulations.

**108.36 Canceled receipts; auditing.**—Each warehouseman, when requested by the Service, shall forward his canceled receipts for auditing to Washington or to such field offices of the Service as may be designated from time to time. For the purpose of this section, only such portion as the Service may designate of each canceled receipt, numbered to correspond with the actual receipt number, need be submitted.

**108.37 Inspections and examinations of warehouses.**—Each warehouseman shall permit any officer or agent of the Department of Agriculture, authorized by the Secretary for the purpose, to enter and inspect or examine at any time any warehouse for the conduct of which such warehouseman holds a license, the office thereof, the books, records, papers, and accounts relating thereto, and the contents thereof, and shall furnish such officer or agent the assistance necessary to enable him to make any inspection or examination under this section.

**108.38 Inspection of weighing, testing, and measuring apparatus.**—The apparatus used for determining the weight, quantity, or quality stated in a receipt or certificate shall be subject to examination by any officer or agent of the Department of Agriculture employed for such purpose. If the Service shall disapprove such apparatus, it shall not thereafter, unless such disapproval be withdrawn, be used in ascertaining the weight, quantity, or quality of sirup for the purposes of the act and these regulations.

**108.39 Care in storage.**—Each warehouseman shall keep the stock stored in his licensed warehouse in an orderly manner, shall provide sufficient aisle space so as to permit easy and ready access to any and all lots of sirup stored therein, and shall so store each lot of sirup as to facilitate sampling of sirup and inspection for condition. The warehouseman shall at all times keep his warehouse clean and free from all litter.

**108.40 Water or ash in sirup.**—The warehouseman shall not accept for storage in his warehouse any sugarcane sirup which contains more than 30 percent by weight of water or more than 2.5 percent by weight of ash; nor shall he

accept maple sirup containing in excess of 35 percent by weight of water or which weighs less than 11 pounds to the gallon; nor shall he accept honey weighing less than 11 pounds 12 ounces to the gallon, or containing in excess of 25 percent of water, or more than 0.25 percent of ash or 8 percent of sucrose.

**108.41 Procedure to follow prior to reconditioning deteriorating sirup.**—If the warehouseman considers that any sirup in his warehouse is out of condition, or becoming so, he shall direct the licensed inspector to examine the sirup in question, and if such inspector finds such sirup to be out of condition or becoming so, and he is of the opinion that such sirup can be brought back into condition by reprocessing or other means, or that further deterioration can be prevented, the warehouseman shall give immediate notice of the facts to the persons, and in the manner, specified in section 108.42 (b)–(c) of these regulations. If, within 24 hours after the dispatch of such notice, the owners of such sirup have not otherwise directed as to the disposition of same, such warehouseman, with the approval of the licensed inspector, shall subject the sirup to the proper reconditioning process in his licensed warehouse to the extent to which it is equipped with apparatus suitable for the purpose, otherwise in any other warehouse so equipped.

**108.42 Deteriorating sirup; handling.**—(a) If a warehouseman, with the approval of the licensed inspector, shall determine that any sirup is deteriorating and that such deterioration cannot be stopped by processing or otherwise, he shall give immediate notice thereof in accordance with paragraphs (b) and (c) of this section.

(b) Such notice shall state (1) the warehouse in which the sirup is stored; (2) the quantity, kind, and grade of the sirup at the time the notice is given; (3) the actual condition of the sirup as nearly as can be ascertained, and the reason, if known, for such condition; and (4) the outstanding receipts covering the sirup out of condition, giving the number and the date of each such receipt and the quantity, the kind, and grade of the sirup as stated in each such receipt.

(c) A copy of such notice shall be delivered in person or shall be sent by mail (1) to the persons holding the receipts if known to the warehouseman; (2) to the person who originally deposited the sirup; (3) to any other persons known by the licensed warehouseman to be interested in the sirup; (4) to the Chief of the Service; and (5) public notice shall also be given by posting a copy of such notice at the place where the warehouseman is required to post his license. If the holders of the receipts and the owners of the sirup are known to the warehouseman and cannot, in the regular course of the mails, be reached within 12 hours, the warehouseman shall, whether or not requested to do so, also immediately notify such persons by telegraph or telephone at their expense.

(d) Any person interested in any sirup or the receipt covering such sirup stored in a licensed warehouse, may, in writing, notify the warehouseman of his interest, and such warehouseman shall keep a record of that fact. If such person requests in writing that he be notified regarding the condition of any such sirup and agrees to pay the cost of any telegraph or telephone toll charge, such warehouseman shall notify such person in accordance with such request.

(e) If the sirup advertised in accordance with the requirements of this regulation has not been removed from storage by the owner thereof within 7 days from the dispatch of notice of its being out of condition, the warehouseman may sell the same at public auction at the expense and for the account of the owner, after giving 7 days' notice of such proposed sale in the manner specified in paragraphs (b) and (c) of this section.

(f) Nothing contained in this section shall be construed as relieving the warehouseman from properly caring for any sirup after sending notification of its condition in accordance with this section.

**108.43 Excess storage.**—If at any time a warehouseman shall be offered for storage in his warehouse sirup in excess of the licensed capacity as shown on his license, he shall not accept such sirup until he has first secured authority through an amended license, and after such authority has been granted, the warehouseman shall continue to so arrange the sirup as not to obstruct free access thereto and the proper use of sprinklers or other fire-protection equipment provided for such warehouse.

**108.44 Removal of sirup from storage.**—Except as may be provided by law or these regulations, each warehouseman, (1) upon proper presentation and surrender of a receipt for sirup stored other than as identity preserved and upon payment or tender of all advances and legal charges, shall deliver to such depositor or lawful holder of such receipt sirup of the same grade and quantity

specified in such receipt; and, (2) upon proper presentation and surrender of a receipt for sirup the identity of which was to have been preserved during the storage period and upon payment or tender of all advances and legal charges, shall deliver to the person lawfully entitled thereto the identical sirup covered by the surrendered receipt. Should it become necessary to remove sirup from the warehouse to protect the interests of depositors prior to the return and cancellation of receipts, the warehouseman shall immediately notify the Chief of the Service of such removal and of the necessity therefor.

**108.45 (Repealed.)**

**108.45a Signatures of persons to sign receipts to be filed with Department.**—Each warehouseman shall file with the Department the name and genuine signature of each person authorized to sign warehouse receipts for the licensed warehouseman, and shall promptly notify the Department of any changes as to persons authorized to sign, and shall file signatures of such persons.

**108.46 Fire loss to be reported by telegraph.**—If at any time a fire shall occur at or within any licensed warehouse, it shall be the duty of the warehouseman to report immediately by telegraph to the Chief of the Service the occurrence of such fire and the extent of damage.

**108.47 Copies of inspection or weight certificates to be filed.**—When an inspection or weight certificate has been issued by a licensed inspector or weigher, a copy of such certificate shall be filed with the warehouseman in whose warehouse the sirup covered by such certificate is stored, and such certificate shall become a part of the records of the warehouseman.

## FEES

**108.48 Warehouse license fees.**—There shall be charged, assessed, and collected a fee of \$10 for each warehouseman's license or any amendment thereto, and a fee of \$3 for each license issued to a weigher or an inspector.

**108.49 Warehouse inspection fees.**—There shall be charged, assessed, and collected for each original examination or inspection of a warehouse under the act, when such examination or inspection is made upon application by a warehouseman, a fee at the rate of \$1 for each 5,000 gallons of the storage capacity, or fraction thereof, determined in accordance with section 108.12 (a) but in no case less than \$10 nor more than \$200, and, for each reexamination or reinspection applied for by such warehouseman, a fee based on the extent of the reexamination or reinspection, proportioned to but not greater than that prescribed for the original examination or inspection.

**108.50 Advance deposit.**—Before any warehouseman's license or amendment thereto, or any inspector's or weigher's license is granted, or before an original examination or reexamination applied for by a warehouseman is made, the warehouseman, and/or inspector, or weigher shall deposit with the Service the amount of the fee prescribed therefor. Such deposit shall be made in the form of a check, certified if required by the Service, or post-office or express money order, payable to the order of "Treasurer of the United States".

**108.51 Return of excess deposit.**—The Treasurer of the United States shall hold in his custody each advance deposit made under this regulation until the fee, if any, is assessed and he is furnished by the Service with a statement showing the amount thereof and against whom assessed. Any part of such advance deposit which is not required for the payment of any fee assessed shall be refunded to the party depositing same.

## LICENSED INSPECTORS AND WEIGHERS

**108.52 Inspector's and weigher's application.**—(a) Application for licenses to inspect and grade or to weigh sirup under the act shall be made to the Chief of the Service on forms furnished for the purpose by him.

(b) Each such application shall be signed by the applicant, shall be verified by him under oath or affirmation administered by a duly authorized officer, and shall contain or be accompanied by (1) satisfactory evidence that he has passed his twenty-first birthday; (2) the name and location of a warehouse or warehouses licensed, or for which application for license has been made, under the act, in which sirup sought to be inspected and weighed under such license is or may be stored; (3) a statement from the warehouseman conducting such warehouse showing whether the applicant is competent and is acceptable to such warehouseman for the purpose; (4) satisfactory evidence that he has had at least 1 year's experience in the kind of service for which a license is sought or the

equivalent of such experience, and that he is competent to perform such services, except in the case of applicants for weighers' licenses 1 month's experience will be sufficient; (5) a statement by the applicant that he agrees to comply with and abide by the terms of the act and these regulations so far as the same may relate to him; and (6) such other information as the Service may deem necessary; provided, that when an application for a license to inspect sirup is filed by a person who does not intend to inspect for any particular licensed warehouseman but who does intend to inspect sirup stored or to be stored in a licensed warehouse or warehouses and to issue inspector's certificates therefor, as provided for by the act and these regulations, independent of the warehouse receipts issued to cover such sirup, it shall not be necessary to furnish such statement as is required by subdivision (3) of this paragraph.

(c) The applicant shall at any time furnish such additional information as the Secretary or the Chief of the Service shall find to be necessary to the consideration of his application.

(d) A single application may be made by any person for a license to inspect and to weigh upon complying with all the requirements of this section.

**108.53 Examination of applicant.**—Each applicant for a license as an inspector or as a weigher and each licensed inspector or licensed weigher shall, whenever requested by an authorized agent of the Department of Agriculture designated by the Chief of the Service for the purpose, submit to an examination or test to show his ability properly to perform the duties for which he is applying for license or for which he has been licensed.

**108.54 Posting of license.**—Each licensed inspector shall keep his license conspicuously posted in the office where all or most of the inspecting is done, and each licensed weigher shall keep his license conspicuously posted in the warehouse office or in such place as may be designated for the purpose by the Service.

**108.55 Duties of licensees.**—Each inspector and each weigher, when requested, shall without discrimination, as soon as practicable, and upon reasonable terms, inspect or weigh and certificate the condition, grade, or weight for storage of sirup stored or to be stored in a licensed warehouse if such sirup be offered to him under such conditions as permit proper inspection and the determination of the condition, grade, or weight thereof, as the case may be. Each such licensee shall give preference to persons who request his services as such over persons who request his services in any other capacity. No inspection or weight certificates shall be issued under the act for sirup not stored or not to be stored in a licensed warehouse.

**108.56 Inspection certificate; form.**—Each inspection certificate issued under the act by a licensed inspector shall be in a form approved for the purpose by the Service and shall embody within its written or printed terms (1) the caption "United States Warehouse Act Sirup Inspection Certificate"; (2) whether it is an original, a duplicate, or other copy; (3) the name and location of the warehouse in which the sirup is or is to be stored; (4) the date of the certificate; (5) the location of the sirup at the time of inspection; (6) the identification number of each lot of sirup, given in accordance with section 108.32; (7) the grade and condition of the sirup for storage at the time of inspection; (8) the name of the locality in which produced, if known; (9) that the certificate is issued by a licensed inspector, under the United States Warehouse Act and regulations thereunder; (10) a blank space designated for the purpose in which may be stated any general remarks on the condition of the sirup; and (11) the signature of such licensed inspector. In addition, the inspection certificate may include any other matter not inconsistent with the act or these regulations, provided the approval of the Service is first secured.

**108.57 Weight certificate; form.**—Each weight certificate issued under the act by a licensed weigher shall be in a form approved for the purpose by the Service, and shall embody within its written or printed terms (1) the caption "United States Warehouse Act Sirup Weight Certificate"; (2) whether it is an original, a duplicate, or other copy; (3) the name and location of the warehouse in which the sirup is or is to be stored; (4) the date of the certificate; (5) the location of the sirup at the time of weighing; (6) the identification mark of each lot of sirup given in accordance with section 108.32; (7) the gross, tare, and net weight of the sirup if in barrels, drums, or jackets, or the number of cases and sizes of cans if in cases; (8) that the certificate is issued by a licensed weigher under the United States Warehouse Act and the regulations thereunder; and (9) the signature of such licensed weigher. In addition, the weight certificate may include any other matter not inconsistent with the act or these regulations, provided the approval of the Service is first secured.

**108.58 Combined inspection and weight certificate.**—The grade, condition, and weight of any sirup ascertained by a licensed inspector and/or licensed weigher may be stated on a certificate meeting the combined requirements of sections 108.56 and 108.57, if the form of such certificate shall have been approved for the purpose by the Service.

**108.59 Copies of certificates to be kept.**—Each licensed inspector and each licensed weigher shall keep for a period of 1 year in a place accessible to persons financially interested in the sirup, a copy of each certificate issued by him under these regulations and shall file a copy of each such certificate with the warehouse in which the sirup covered by the certificate is stored.

**108.60 Licensees to permit and assist in examination.**—Each licensed inspector and each licensed weigher shall permit any officer or agent of the Department of Agriculture, authorized by the Secretary for the purpose, to inspect or examine at any time his books, papers, records, and accounts relating to the performance of his duties under the act and these regulations, and shall, with the consent of the warehouseman concerned, assist any such officer or agent in the inspection or examination of records mentioned in section 108.33 as far as any such inspection or examination relates to the performance of the duties of such licensed inspector or licensed weigher under the act and these regulations.

**108.61 Reports.**—Each licensed inspector and licensed weigher shall, from time to time, when requested by the Service, make reports on forms furnished for the purpose by the Service, bearing upon his activities as such licensed inspector or licensed weigher.

**108.62 Licenses—suspension; revocation.**—Pending investigation, the Secretary or his designated representative may, whenever he deems necessary, suspend the license of an inspector or of a weigher temporarily without hearing. Upon a written request and a satisfactory statement of reasons therefor, submitted by the inspector or weigher, or when the inspector or weigher has ceased to perform such services at the warehouse, the Secretary or his designated representative may, without hearing, suspend or revoke the license issued to such inspector or weigher. The Secretary or his designated representative may, after opportunity for hearing, when possible, has been afforded in the manner prescribed in this section, suspend or revoke a license issued to an inspector or a weigher when such inspector or weigher has in any manner become incompetent or incapacitated to perform the duties of a licensed inspector or licensed weigher. As soon as it shall come to the attention of a warehouseman that any of the conditions mentioned in this section exist, it shall be his duty to notify in writing the Service. Before the license of any inspector or weigher is suspended or revoked pursuant to section 12 of the act, such licensee shall be furnished by the Secretary, or by his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with section 108.73.

**108.63 Return of suspended or revoked licenses. Termination of license.**—  
(a) If a license issued to an inspector or to a weigher is suspended or revoked by the Secretary, it shall be returned to the Secretary. At the expiration of any period of suspension of a license, unless in the meantime it be revoked, the dates of the beginning and termination of the suspension shall be indorsed thereon, and it shall be returned to the inspector or weigher to whom it was originally issued, and it shall be posted as prescribed in section 108.54.

(b) Any license issued to an inspector or weigher shall automatically be suspended or terminated as to any warehouse whenever the license of such warehouse shall expire or be suspended or revoked. Thereupon the license of such inspector or weigher shall be returned to the Secretary. If such license is applicable to warehouses other than those for which the licenses have been suspended or revoked, the Secretary or his designated representative shall issue a new license to the inspector or weigher, omitting the names of the warehouses for which licenses have been so suspended or revoked. Such new licenses shall be posted as prescribed in section 108.54.

**108.64 Lost or destroyed licenses.**—Upon satisfactory proof of the loss or destruction of a license issued to an inspector or a weigher, a duplicate thereof may be issued under the same number.

**108.65 Unlicensed inspector or weigher; misrepresentation.**—No person shall in any way represent himself to be an inspector or weigher licensed under the act unless he holds an unsuspended, unrevoked, and uncanceled license issued under the act.

## SIRUP INSPECTION AND CLASSIFICATION

**108.66 Classification; statement of.**—Whenever the kind, grade, or other class or condition of sirup is required to be or is stated for the purposes of this act and these regulations, it shall be stated in accordance with sections 108.67–108.68.

**108.67 Standards to be used.**—Until such time as official sirup grades of the United States are in effect, the kind, grade, and condition of sirup shall be stated as far as applicable (a) in accordance with the State standards, if any, established in the State in which the warehouse is located; (b) in the absence of any State standards, in accordance with the standards, if any, adopted by any sirup organization or by the sirup trade generally in the locality in which the warehouse is located, subject to the disapproval of the Chief of the Service; or (c) in the absence of the aforesaid standards in accordance with any standards approved by the Chief of the Service.

**108.68 Statement of kind; grade; condition.**—Whenever the kind, grade, or other class or condition of sirup is stated for the purposes of this act and these regulations, the terms used shall be correctly applied and shall be so selected as not to convey a false impression of the sirup. In case of doubt as to the kind, grade, or condition of a given lot of sirup, a determination shall be made of such facts by drawing samples fairly representative of the contents of the lot of sirup offered for storage.

## APPEAL OF GRADES

**108.69 Appeal of grades.**—(a) If a question arises as to whether the kind, grade, or condition of the sirup was correctly stated in a receipt or inspection certificate issued under the act or these regulations, the warehouseman concerned or any person financially interested in the sirup involved may, after reasonable notice to the other party, submit the question to the Chief of the Service, who may appoint a committee to make a determination. The decision of the committee shall be final, unless the Chief shall direct a review of the question. Immediately upon making its decision, the committee shall issue a certificate embodying its findings to the appellants and the licensee or licensees involved.

(b) If the decision of the committee be that the kind, grade, or condition was not correctly stated, the receipt or certificate involved shall be returned to and be canceled by the licensee who issued it, and the licensee shall issue in lieu thereof a new receipt or certificate embodying therein the statement of kind, grade, or condition in accordance with the findings of the committee.

(c) All necessary and reasonable expenses of such determination shall be borne by the losing party, unless the Chief of the Service or his representative shall decide that the expense should be prorated between the parties.

## MISCELLANEOUS

**108.70 Bonds required.**—Every person applying for a license, or licensed under section 9 of the act, shall, as such, be subject to all portions of these regulations except section 108.5 so far as they may relate to warehousemen. If there is a law of any State providing for a system of warehouses owned, operated, or leased by such State, a person applying for a license under section 9 of the act, to accept the custody of sirup and to store the same in any of said warehouses, may, in lieu of a bond or bonds, complying with sections 108.11 and 108.12, file with the Secretary a single bond meeting the requirements of the act and these regulations, in such form and in such amount not less than \$5,000, as he shall prescribe, to insure the performance by such person, with respect to the acceptance of the custody of sirup and its storage in the warehouses in such system for which licenses are or may be issued, of his obligations arising during the periods of such licenses, and in addition, if desired by the applicant, during the periods of any modifications or extensions thereof. In fixing the amount of such bond, consideration shall be given, among other appropriate factors, to the character of the warehouses involved, their actual or contemplated capacity, the bonding requirements of the State, and its liability with respect to such warehouses. If the Secretary shall find the existence of conditions warranting such action, there shall be added to the amount of the bond so fixed a further amount, fixed by him, to meet such conditions.

**108.71 Publications.**—Publications under the act and these regulations shall be made in service and regulatory announcements of the Agricultural Marketing

Service and such other media as the Chief of the Service may from time to time designate for the purpose.

**108.72 Information of violations.**—Every person licensed under the act shall immediately furnish the Chief of the Service any information which comes to the knowledge of such person tending to show that any provision of the act or these regulations has been violated.

**108.73 Procedure in hearings.**—For the purpose of a hearing under the act and these regulations, except section 108.69, the licensee involved shall be allowed a reasonable time, fixed by the Secretary or by an official of the Department of Agriculture designated by him for the purpose, within which affidavits and other proper evidence may be submitted. If requested by the licensee within such time, an oral hearing, of which reasonable notice shall be given, shall be held before, and at a time and place fixed by the Secretary or an official of the Department of Agriculture designated by him for the purpose. The testimony of the witnesses at such oral hearing shall be upon oath or affirmation administered by the official before whom the hearing is held, when required by him. Such oral hearing may be adjourned by him from time to time. After reasonable notice to all parties concerned, the deposition of any witness may be taken at a time and place and before a person designated for the purpose by the Secretary, or an official of the Department of Agriculture authorized by the Secretary. Every written entry in the records of the Department of Agriculture made by an officer or employee thereof in the course of his official duty, which is relevant to the issue involved in a hearing, shall be admissible as prima facie evidence of the facts stated therein without the production of such officer or employee. Copies of all papers and all the evidence submitted or considered in such hearing shall be made a part of the records of the Department of Agriculture. The records, and, when there has been an oral hearing other than by the Secretary, the recommendation of the official holding such oral hearing shall be transmitted to the Secretary for his consideration. Each party shall pay all expenses contracted by him in connection with any hearing under this section.

**108.74 (Repealed.)**

**108.74a One document and one license to cover several products.**—A license may be issued for the storage of two or more agricultural products in a single warehouse. Where such a license is desired, a single application, inspection, bond, record, report or other paper, document, or proceeding relating to such warehouse, shall be sufficient unless otherwise directed by the Chief of the Service.

**108.74b Amount of assets and bond needed for combination warehouses.**—Where such a license is desired, the amount of the bond, net assets, and inspection and license fees shall be determined by the Chief of the Service in accordance with the sections applicable to the particular agricultural product which would require the largest bond and the greatest amount of net assets and of fees if the full capacity of the warehouse was used for its storage.

**108.75 Amendments.**—Any amendment or revision of these regulations, unless otherwise stated therein, shall apply in the same manner to persons holding licenses at the time it becomes effective as it applies to persons thereafter licensed under the act.

Done at Washington, D. C., this 11th day of December 1939.  
Witness my hand and the seal of the Department of Agriculture.

*M. L. Wilson*  
Acting Secretary of Agriculture.

## UNITED STATES WAREHOUSE ACT

[39 United States Statutes at Large, page 486, as amended July 25, 1919, February 23, 1923, and March 2, 1931]

---

That this Act shall be known by the short title of "United States Warehouse Act."

SEC. 2. That the term "warehouse" as used in this Act shall be deemed to mean every building, structure, or other protected inclosure in which any agricultural product is or may be stored for interstate or foreign commerce, or, if located within any place under the exclusive jurisdiction of the United States, in which any agricultural product is or may be stored. As used in this Act, "person" includes a corporation or partnership or two or more persons having a joint or common interest; "warehouseman" means a person lawfully engaged in the business of storing agricultural products; and "receipt" means a warehouse receipt.

SEC. 3. That the Secretary of Agriculture is authorized to investigate the storage, warehousing, classifying according to grade and otherwise, weighing, and certification of agricultural products; upon application to him by any person applying for license to conduct a warehouse under this Act, to inspect such warehouse or cause it be inspected; at any time, with or without application to him, to inspect or cause to be inspected all warehouses licensed under this Act; to determine whether warehouses for which licenses are applied for or have been issued under this Act are suitable for the proper storage of any agricultural product or products; to classify warehouses licensed or applying for a license in accordance with their ownership, location, surroundings, capacity, conditions, and other qualities, and as to the kinds of licenses issued or that may be issued for them pursuant to this Act; and to prescribe, within the limitations of this Act, the duties of the warehousemen conducting warehouses licensed under this Act with respect to their care of and responsibility for agricultural products stored therein.

SEC. 4. That the Secretary of Agriculture, or his designated representative, is authorized, upon application to him, to issue to any warehouseman a license for the conduct of a warehouse or warehouses in accordance with this Act and such rules and regulations as may be made hereunder: *Provided*, That each such warehouse be found suitable for the proper storage of the particular agricultural product or products for which a license is applied for, and that such warehouseman agree, as a condition to the granting of the license, to comply with and abide by all the terms of this Act and the rules and regulations prescribed hereunder.

SEC. 5. That each license issued under Sections 4 and 9 of this Act shall terminate as therein provided, or in accordance with the terms of this Act and the regulations thereunder, and may from time to time be modified or extended by a written instrument.

SEC. 6. That each warehouseman applying for a license to conduct a warehouse in accordance with this Act shall, as a condition to the granting thereof, execute and file with the Secretary of Agriculture a good and sufficient bond to the United States to secure the faithful performance of his obligations as a warehouseman under the terms of this Act and the rules and regulations prescribed hereunder, and of such additional obligations as a warehouseman as may be assumed by him under contracts with the respective depositors of agricultural products in such warehouse. Said bond shall be in such form and amount, shall have such surety or sureties, subject to service of process in suits on the bond within the State, District, or Territory in which the warehouse is located, and shall contain such terms and conditions as the Secretary of Agriculture may prescribe to carry out the purposes of this Act, and may, in the

discretion of the Secretary of Agriculture, include the requirements of fire and/or other insurance. Whenever the Secretary of Agriculture, or his designated representative, shall determine that a previously approved bond is, or for any cause has become, insufficient, he may require an additional bond or bonds to be given by the warehouseman concerned, conforming with the requirements of this section, and unless the same be given within the time fixed by a written demand therefor the license of such warehouseman may be suspended or revoked.

SEC. 7. That any person injured by the breach of any obligation to secure which a bond is given, under the provisions of Sections 6 or 9, shall be entitled to sue on the bond in his own name in any court of competent jurisdiction to recover the damages he may have sustained by such breach.

SEC. 8. That upon the filing with and approval by the Secretary of Agriculture, or his designated representative, of a bond, in compliance with this Act, for the conduct of a warehouse, such warehouse may be designated as bonded hereunder; but no warehouse shall be designated as bonded under this Act, and no name or description conveying the impression that it is so bonded shall be used until a bond, such as provided for in section 6, has been filed with and approved by the Secretary of Agriculture, or his designated representative, nor unless the license issued under this Act for the conduct of such warehouse remains unsuspended and unrevoked.

SEC. 9. That the Secretary of Agriculture, or his designated representative, may, under such rules and regulations as he shall prescribe, issue a license to any person not a warehouseman to accept the custody of agricultural products, and to store the same in a warehouse or warehouses owned, operated, or leased by any State, upon condition that such person agree to comply with and abide by the terms of this Act and the rules and regulations prescribed hereunder. Each person so licensed shall issue receipts for the agricultural products placed in his custody, and shall give bond, in accordance with the provisions of this Act, and the rules and regulations hereunder affecting warehousemen licensed under this Act, and shall otherwise be subject to this Act, and such rules and regulations, to the same extent as is provided for warehousemen licensed hereunder.

SEC. 10. That the Secretary of Agriculture, or his designated representative, may charge, assess, and cause to be collected a reasonable fee for every examination or inspection of a warehouse under this Act when such examination or inspection is made upon application of a warehouseman, and for each license issued to a warehouseman or to any person to classify, inspect, grade, sample, and/or weigh agricultural products stored or to be stored under the provisions of this Act, the Secretary of Agriculture, or his designated representative, may charge, assess, and cause to be collected a reasonable fee. All such fees shall be deposited and covered into the Treasury as miscellaneous receipts.

SEC. 11. That the Secretary of Agriculture, or his designated representative, may upon presentation of satisfactory proof of competency, issue to any person a license to inspect, sample, or classify any agricultural product or products, stored or to be stored in a warehouse licensed under this Act, according to condition, grade, or otherwise and to certificate the condition, grade, or other class thereof, or to weigh the same and certificate the weight thereof, or both to inspect, sample, or classify and weigh the same and to certificate the condition, grade, or other class and the weight thereof, upon condition that such person agree to comply with and abide by the terms of this Act and of the rules and regulations prescribed hereunder so far as the same relate to him.

SEC. 12. That any license issued to any person to inspect, sample, or classify, or to weigh any agricultural product or products under this Act may be suspended or revoked by the Secretary of Agriculture, or his designated representative, whenever he is satisfied, after opportunity afforded to the licensee concerned for a hearing, that such licensee has failed to inspect, sample, or classify, or to weigh any agricultural product or products correctly, or has violated any of the provisions of this Act or of the rules and regulations prescribed hereunder, so far as the same may relate to him, or that he has used his license or allowed it to be used for any improper purpose whatever.
